

**FACULTY POSITION IN CHEMISTRY
THE UNIVERSITY OF TEXAS AT TYLER**

The University of Texas at Tyler invites applications for a tenure-track assistant professor position in physical chemistry beginning spring 2010 or fall 2010. Successful candidate must have a Ph.D., teaching experience at the college level, demonstrated commitment to excellence in undergraduate teaching, and ability to establish and maintain an independent research program involving undergraduate students. Submit application letter, curriculum vitae, unofficial transcripts, a brief statement of research plans, and three references with contact information to Search Committee, Department of Chemistry, The University of Texas at Tyler, 3900 University Blvd., Tyler, Texas 75799. No electronic submissions will be accepted. Review of applications will begin immediately and will continue until position is filled. Applicants may visit our Web sites at www.uttyler.edu and <http://chemistry.uttyler.edu>. Located 95 miles east of Dallas in the beautiful piney woods of East Texas, The UT Tyler has an enrollment of about 6,200 students. Tyler is the East Texas regional center for health care, higher education, and economic development. **This position is security-sensitive and subject to Texas Education Code Section 51.215, which authorizes the employer to obtain criminal history record information.** *The University of Texas at Tyler is an Equal Opportunity Employer.*
